

News Release

CODAIRE-NP/SK

HEAVY DUTY LCP INK JET PRINTER

April 2024

Lakewood New Jersey... Dalemark Industries, Inc., a leader in coding, product transport and labeling systems for Industrial and Consumer Packaging, is pleased to introduce its new Heavy Duty CODAIRE®-NP/SK Programmable Large Character Ink Jet Printer designed specifically to work with Solvent, Oil, Pigment & Water based Inks in demanding applications including lumber, chemical, mining, tires, paper mills, masonry, etc. Units are designed for their ruggedness and ability to print fixed and variable dot matrix alphanumeric copy from the top, sides or bottoms of moving products. The Heavy-Duty units are manufactured to meet Dalemark's highest quality standards. Features include:

- ❑ Enclosed Stainless Steel Print Head(s)
- ❑ .25 - 5 Gallon refillable ink supply system
- ❑ Full alphanumeric print capability
- ❑ Dust and Water-Resistant Print Head Enclosure
- ❑ Print speeds up to 330 fpm with 98 message memory (@ 45-character length)
- ❑ Top, Bottom or Side print capability on moving porous/non-porous substrates
- ❑ Adjustable Print Heights from 7/16" up to 4" (dependent upon Print Head)
- ❑ Works with Factory Air or Optional Self-Contained Air Pump
- ❑ Designed for 24/7 operation in harsh and demanding environments
- ❑ Includes a Stainless Steel Product Accumulator Tray with Adjustable Magnetic Guides.

The CODAIRE®-NP/SK Series from Dalemark - simplicity, flexibility and the highest quality!

Dalemark Industries, Inc offers a track record of 19 Patents and a history of 72 years of experience meeting the needs of the packaging industry with Ink Jet, Flexographic & Thermal Printers, P/S Labelers, Round & Flat Product Handling Systems and related products.
