

A-POS MERCURY TABLETOP THERMAL TRANSFER CARE LABEL PRINTER

The industrial based Mercury Tabletop Thermal Transfer Printer is designed to provide 1 Side / 1 Color up to 2 Side/ 2 Color alphanumeric/logo copy onto poly and fabric based garment Care Labels in a compact & economical PC driven digital print System.

MAIN FEATURES:

- **Easy to Change Thermal Ribbon and Tape -**

Just line them up with the back of the machine to set! Ribbons of all sizes can easily be changed without any tools.

- **Highly Economical Ribbon Saving Feature –**

The standard Ribbon Save feature automatically limits ribbon usage providing a very cost effective printing system.

- **Cutter -**

An optional Cold or Hot Cutter is available to allow automatic cut and re-stacking of your Care Labels.
