

# MODEL "DA-5" TAMP-LABEL APPLICATOR

SERIES  
7000  
DATA SHEET

## Providing Economical Solutions in Automatic Labeling Systems

The Series 7000 Model "DA-5" Wipe-On Label Applicator from Dalemark Industries provides smooth operation and reliability for system integration.

Designed and manufactured to be a reliable, yet affordable industrial grade labeling system, which is easy to operate. The Brushless DC motor can accommodate a wide range of labels from 1/2" x 1/2" to 5" x 15". The Series 7000 Model DA-5 is compact in size, making it a perfect choice for applications where space is a premium.

When your labeling application requires the addition of a Wipe-On Applicator, the Series 7000 Model DA-5 can be your labeling solution.
