## **CODAIRE® LARGE CHARACTER INK JET**

### **PRINTER**

April -2026

**Lakewood New Jersey...** Dalemark Industries, Inc., a leader in marking, coding, labeling and flat product handling systems for Industrial and Consumer Packaging, is pleased to announce its brand-new Series CODAIRE® LCP Large Character Printer for on-line case and sheet coding and marking. The CODAIRE® LCP provides an easy, low-cost way to print text, graphics, symbols and barcodes without the high operational cost of T.I.J. Printers. These heavy-duty systems are manufactured to meet Dalemark's highest quality standards and features include:

- Prints Heights up to 2" in 5x5, 7x5, or 16x10 dot matrix formats
- Easy access memory containing over 100 lines of print at up to 40 characters per line
- 100 dpi copy at speeds up to 290 ft/m
- Stainless Steel and Aluminum construction provide long lasting durability
- Operates via a 7" Colored Touchscreen Terminal
- Full range of Water and Solvent based Inks for printing on most surfaces
- Needs no PC or Air
- Prints onto the top or sides of moving containers

**The LCP from Dalemark - simplicity, flexibility, and highest quality standards.**

**MADE IN THE USA**

**Dalemark Industries, Inc** offers a track record of 19 Patents and a history of over 75 years of experience meeting the needs of the packaging industry with Ink Jet, Flexographic & Thermal Printers, P/S Labelers, Round & Flat Product Handling Systems and related products.
